Dear Andy,

I've heard that Hafry Livingstone has published the book allegedly by Madeleine Brown who claims she was LBJ's mistress and tgat he told her in advance of the coming assassination,

I've also heard thar you sell it.

If so and if my credit is good, I'd like to get a copy.

If any other such books have appeared and you know about them I'd like to know.

Hope all is going well with you.

Thanks and best,

Harold
